Dear Dr.Mohan sir,

Greetings from **ANCIT Consulting!**

I hope this email finds you well. I am writing to formally request permission to organize a one-day free workshop on the topic of "Opportunities in Automotive Software Development" at Shanmuganathan Engineering College. I believe this workshop could greatly benefit our students and contribute to their holistic learning experience.

Workshop Details:

Date: At your convenience.

Time: 10.30 am

Venue: Shanmuganathan Engineering College campus

Duration: 1 day

Target Audience: Final year B.E – ECE,EEE,CS

Workshop Overview:

The workshop aims to provide students with insights into the exciting and rapidly evolving field of automotive software development. As the automotive industry continues to embrace technological advancements, the demand for skilled software developers who can create innovative solutions for vehicles has increased significantly.

During the workshop, participants will learn:

- Basics of Automotive Software development.
- ADAS Concepts.
- Basics of Embedded C.
- Hands on exercise using STM32 board Kit.

We kindly request your permission to use the campus facilities for the workshop. We assure you that all necessary arrangements and precautions will be taken to ensure the smooth and safe conduct of the event.

We would greatly appreciate the opportunity to collaborate with Shanmuganathan Engineering College on this educational initiative. Your support will undoubtedly contribute to the success of the workshop and the enrichment of our students' learning experiences. We are open to any guidelines or suggestions you may have in relation to the event.

Thank you for considering our request. We look forward to your positive response. If you require any additional information or if there are any formal procedures we need to follow, please do not hesitate to contact us at vskarthick@ancitconsulting.com

Regards,

Karthick VS - Manager - Operations(Training & Deployment)

ANCIT Consulting.

About us

HOME > COMPANY > ABOUT US

About Our Story

ANCIT was started in 2007 in Coimbatore with 2 employees and a few interns, with a conviction to create a world class Engineering Tools Company. Very soon ANCIT became the most preferred Eclipse Tooling Company in Asia. Since then ANCIT has been a leader in engineering tools and services with over a decade of quality deliveries. We serve prominent enterprises to start-up ventures in Semiconductor, Automotive, Defence and Aerospace industries.

In 2017, ANCIT took a strategic decision to rebrand from an Engineering Tooling Company to an Automotive Engineering Service Provider and scaled to a 100+ associate organization and became a preferred technology partners for OEMs, TIER-1s and TIER-2s.

In ANCIT, we believe that world is a space with always a lot of scope for innovation. So we let our clients innovate and rely on us to Automate IT. Our mission is to help leading corporations and individuals, create and enhance efficient IT landscapes using various technologies that improve process and productive. More than mere tools, our process clearly aims at supporting people in maximizing their benefits and reduce the risk of failures.

Lanuched in 2007
