

INSTITUTION'S ENVIRONMENT POLICY

Our environmental policy:

- To create awareness regarding environmental policy amongst the faculty members, staffs & students.
- To maintain pollution free campus by avoiding tobacco, pan-masala, chewing on the campus. Rules and regulations regarding the instructions of tobacco free campus signboards are displayed at various places on the campus.
- Use of Plastics are prohibited inside the college premises.
- Fluorescent lamps in the campus are to be replaced with LED so as to reduce the power consumption.
- To sensitize the students and staff regarding the use of drinking water properly for which, we have provided purified (RO) drinking water facilities on the campus.
- To bring in use on the Rain Water Harvesting in the campus. We have collected the rain water from the college roof and it is percolated in the land.
- Use of public transportation among staffs and students are promoted. It helps to save the fuel, avoids the environmental pollution.
- To maximize the use of ICT and minimize the use of paper. It will help to go towards 'Paperless Office'.
- Dust bins are provided in the college campus so as to keep college campus neat and clean.
- Initiative to maintain eco-friendly and green ambience in the campus.
- Good practice to reduce power consumption to be implemented and followed.
- To Use Solar Energy on College Campus by installing Solar panels.
- Strategies for reduction in stationery consumption are recommended for all the departments.
