English Language and Communication Skills lab

English language Lab has become highly valued in engineering colleges because it provides students as an organized e-learning environment that is reliable and successful. New technologies are implemented in laboratory-based classes as they accomplish the teacher's role in creating an attractive learning environment for the learner. In addition, it offers additional practice time and up-to-date exercises for the students. The English language lab is an extremely useful tool that facilitates language classes and interaction via computer-based activities and exercises to make the learning method very interesting. It gives a completely unique experience from the traditional system of learning and teaching by offering advanced features.

The college has a well-equipped Language Laboratory and audio-visual equipment to aid in imparting communication skills and soft skills. Special sections are available in the Language Laboratory to teach the basics of English to students from rural backgrounds, helping them to build their confidence. The Lab is equipped with a server of the minimum configuration of the PIV system which has 1 GB RAM/250 GB HDD, OS: Win 7 and with headphones. The client systems (60 Nos.) have a configuration of Core 2 Duo,S12 MB RAM/250 GB HDD, OS: Win7 and with headphones. The Language lab is also furnished with a Handycam,46" TV, Collar mike, Cordless Mike, Audio Mixer, DVD recorder/player and LCD Projector with MP3/CD/DVD provision for Audio/Video facility.

The software packages namely e-class are available, which can be used by 60 users at a time for the development of LSRW skills (Listening, Speaking, Reading, and Writing). The software contains different modules like Grammar, Vocabulary, Word pronunciation and so on, Language lab aims at confidence-building among students for interactions and presentations in English by conducting group discussions, model presentations, and mock interviews. It also helps the students to prepare for competitive examinations such as GRE/TOEFL/IELTS   etc.

Dear Sir,

Sub: Request for conducting competitions - Vigilance Awareness Week 2022 - reg.

This refers to the discussions BHEL-PPPU-Thirumayam had with your institution on the subject.

At the outset, I thank you for giving us an opportunity to spread the message of integrity, transparency and honesty among the students of your esteemed College.

Central Vigilance Commission (CVC) is an apex integrity Institution with the mandate to fight corruption and to exercise general superintendence over Vigilance administration.

As an endeavour to foster an environment that inculcates a sense of integrity amongst the citizens of the country, the CVC encourages different stakeholders to collectively participate in anti-corruption measures through awareness programs.

Vigilance Awareness Week is one of the tools of the CVC to increase public awareness about the perils of corruption.

CVC in its circular dated 8th September 2022 has decided that Vigilance Awareness Week is to be observed from 31st October to 6th November 2022 with the theme:

Corruption free India for a Developed Nation
(ஊழலற்ற இந்தியா -வளர்ந்த இந்தியா)

In this regard, we propose to conduct the following programs in your esteemed institution.

1. **Elocution in English** (shall be conducted in college on a day during Vigilance Awareness Week)
2. **Essay Writing in English** (maximum 2 pages, to be submitted to Principal's Office)

Theme: "Corruption free India for a Developed Nation"

BHEL will issue certificates to all the Prize-winning students.
